# RETAIL

## ENSURING BUSINESS AS USUAL

---

### Support through Every Phase

From site selection/acquisition to operation, we walk with our clients every step of the way to get their business up and running.

### Permitting Experts

We remove the fear factor involved with permitting and license evaluation. Our experts know the ins and outs of the permitting process.

### Nationwide Coverage

With over 100 locations nationwide, we have the state and local relationships required to perform retail work anywhere, anytime.

## Our Service

---

Whether dealing with a big box store or a stand-alone facility, ATC's retail development and operations experts deliver customized service each step of the way. From site selection to grand opening, our team provides tailored services to every client through all phases.

ENVIRONMENTAL • GEOTECHNICAL  
BUILDING SCIENCES • MATERIALS TESTING
